

SSDI &

Turning

18

# What Can Happen After Turning 18 ...

## **Some People Who ...**

- Become Disabled After They Turn 18, But Before They Turn 22,
- Or Had A Disability Before Their 18<sup>th</sup> Birthday

## **May Be Entitled To A Form Of SSDI Called ...**

**Childhood Disability Benefits  
(CDB)**

# How Can I Be Eligible For CDB?

## You're Only Eligible If ...

- You Have A Disability &
- You're A Child Of A Parent Who Is Receiving One Of The Following Disability Benefits
  - Social Security Retirement
  - Social Security Disability Insurance (SSDI)
- Or You're A Child Of A Deceased Parent Who Is An "Insured Worker"

# What Does This Mean For Me?

## If Found Eligible By Social Security, It Means ...

- You'll Get A Portion Of Your Parent's Retirement or Disability Benefit Every Month
- And Because CDB Falls Under The SSDI Disability Program, You'll Also Be Eligible For Medicare After 2 Years Of Getting CDB
